Readiness for Resiliency (R4R) Mitigation Grant Program

Application Deadline: November 15, 2026

The U.S. Chamber Foundation, with support from Verizon, is helping small businesses prepare for natural disasters before they happen through the Readiness for Resiliency (R4R) Mitigation Grant Program. The program connects disaster preparedness training with financial support to help small businesses reduce their risk from future disasters. Small businesses that complete an eligible free Disaster Resilience course through Verizon's Small Business Digital Ready platform can apply for a $5,000 R4R Mitigation Grant to support a project designed to strengthen their business against disaster-related disruptions.
